

930H LIGHTBAR

Halogen Lightbar Series

The TOMAR 930H is a 100% halogen lightbar. The 930H lightbar uses the TOMAR 890 27 watt 12.8V twist lock halogen lamp for easy replacement.

Halogen Lamps

TOMAR halogen lamps use twist-out automotive 12V halogen bulbs rated at 27 watts each, which can be upgraded to 37 watts. The lamp is molded from Lexan® and has been designed to fit all popular emergency vehicles.

Electrical Specification

12VDC draws 28 amps 12.8VDC (48" lightbar)

Available Options

Lightbars can be configured with optional Takedown, Alley lights, Work lights and Stop-Turn-Tail lights.

Warranty Information

Standard two year warranty on halogen controller.

Ordering Information and Lamp Colors

For customers requiring more than our standard features, we offer additional options to further enhance and customize each lightbar to meet their state or local regulations. Please call our sales department or distributors for ordering information of all available configurations and options. See product pages RECT-34 and RECT-37 for available lamp colors.
